Hey Charlie, I'm about to leave on a sailing trip so it will have to wait until next time. Have a great weekend.

Ok thanks mark. See you next time. No problem just trying. Enjoy your trip.

Wed, Sep 6 at 12:29 PM

Ok. will plan on being there for that time and will keep you posted on the ferry situation.

How and where do we meet with you? Or do we call when on the ferry??

Thu, Sep 7 at 2:53 PM

Mark. Ferry gets into Whaletown at 9:40 am tomorrow. Greg will call you when they are on the Ferry. Can you meet them at the ferry terminal or should they meet you somewhere else??

I can meet them at the ferry. I'll be in a silver Nissan Rogue

Mark. I will not be there this morning. Unfortunately I had prior commitments. The property owners will meet you at the ferry terminal on Cortez. Greg DeMent is the principal and his partner is Ron Hackett. Greg is from New Mexico and Ron is an architect from Nebraska.

Can you reach out to the fire department about using some of that \$300K for a modular house or should I?

I can chat with them about it

Thanks

Tue, Sep 5 at 10:02 AM

Can the Cortes school apply for a grant in aid?

Yes

Thanks

Tue, Sep 5 at 1:39 PM

Can I use gas tax money to buy and install a generator at the school? Currently kids miss 5-10 days of school we year from power outages..

Let me check, I'm not sure, I have not seen one form of gov give gas tax to another before

Might be a subject you bring up with the MLA and education ministry staff at ubcm

Thanks for checking

Growing communities fund 300k cannot be used for housing, ie fire hall, BUT i will go through the budget with them and divert some funding from their budget so we can free up some \$ for a form of housing for the fire dept

That would be great thanks. Please keep me updated :)

Cortes Island first in BC to charge short-term rental tax for new housing

cheknews.ca

Fri, Sep 8 at 5:57 PM

Is this the mrdt tax, I thought the application identified only three rental hotels to collect from , this article made it seem like there is a tax collected from all the air b and b

All hotels and short term rentals

Yes MRDT

When do you expect the AAP for dog control to be launched?

Adding the aap changed the bylaw so we are sending it to municipal affairs today, they usually take two months to approve it and send back so I would anticipate late November or early December for the aap notices to appear in the community advertisements

great, thanks

Can I give you a quick call RE the dog control service?

My main question is will we see a draft of the actual bylaw during the AAP or is the AAP only to create a service and then the bylaw details get worked out afterwards?

Sure give me a call

just about to start a meeting. Will call afterwards thx

👍, the aap will just be to establish the service, give people an idea of cost and the LGA identifies at a high level what you can regulate. After approval of the service, based on your input, we would create a draft bylaw that stipulates what the bylaw would regulate

Thank you. That answers my question.

Can I use gas tax money for road or water infrastructure for the Cortes housing society rainbow ridge development?

Yep

See not always no 😊

Ha ha

I'm feeling a shift ;)

Sun, Sep 17 at 12:46 PM

Do you know how many empty homes there are in the SRD?

Nope

Who should I ask?

Oh I thought you were going to say you knew. Maybe the housing study but I don't know if that would include CR. I will see if I can find out

I think Vancouver is the only city to officially collect that info because they tax for it and home owners individually provide them that info. I don't know how any other city would know how many homes are empty

Mon, Sep 18 at 10:42 AM

CityWest is hosting a dinner tonight at Riley's Fish and Steakhouse, if you don't have other plans please come for dinner at 7pm

Mon, Sep 18 at 12:05 PM

Thanks for the invite. We have an electoral areas meet and greet at the same time. Could we come at 8 for dessert?

Sure but the CityWest dinner will way out perform an EA meet and greet. There will be 10 more socials this week with the same people

Okay I'm in. See you there ;)

Do you have Michael Lott's cell phone number?

No but I ask Edith if she has it and send it to you

Thx

This is based on 2021 census data and does not include taxing airbnbs that use the full house (rather than a room in a house)

Summary is that a modest \$2,500 empty homes tax in the SRD would generate \$2.9M/year - enough to finance a \$37.4M investment in housing

Of course the implementation of the tax would likely cause some houses to turn into rentals and would not pay the tax. Love to chat about this before tomorrow's meeting

I'm hoping to attend a leadership conference at Hollyhock next week. The cost is \$1600 and they are giving me a \$1000 scholarship. Would it be possible for the SRD to support with \$300?

**Social Venture Institute 2023 |
Hollyhock Leadership Institute**
hollyhock.ca

Through your budget you can support it, if you want to avoid any possible conflict now. For in the future you may want to pay the entire registration through your area b budget and not take the scholarship.

So do I need to make a motion to get \$300 or can I just get them to invoice?

Grant in aid

Ok thanks. I don't think I'll pursue that. I thought there might be some admin funds for it.

Can you give me a quick shout to discuss the burning bylaw. A few people on Cortes are interpreting the request as a permanent ban of fires on Cortes and I want to run things by you before responding.

If you have received other emails where I wasn't CC'ed feel free to reply and CC me so that I can explain.

When will the burning bylaw be presented to the board for review?

STAFF REPORT

DATE: August 8, 2018 **FILE:** 0550-04 Board
TO: Chair and Directors, Regional Board
FROM: Dave Letch, Chief Administrative Officer
RE: Bylaw No. 309 - CORTES ISLAND ZONING BYLAW REVIEW

PURPOSE/PROBLEM
To consider rescinding first reading of Bylaw No. 309, being Cortes Island Zoning Bylaw 2018, and giving first and second reading to a revised Bylaw No. 309 prior to authorizing a public hearing.

EXECUTIVE SUMMARY
The attached report was reviewed at the last meeting of the Electoral Areas Services Committee. At that time the Committee recommended that first reading of the Bylaw No. 309 be rescinded due to the scope of amendments required resulting from a legal review, and that a revised Bylaw No. 309 be reintroduced for first and second readings and that a public hearing be authorized to solicit public input on the proposal.

The actions outlined below are offered in support of the Committee's recommendations.

RECOMMENDATIONS

1. THAT the report from the Chief Administrative Officer be received.
2. THAT first reading of Bylaw No. 309, Cortes Zoning Bylaw be rescinded.
3. THAT Bylaw No. 309, being a bylaw to amend the Cortes Zoning Bylaw, be now introduced and read a first time.
4. THAT Bylaw No. 309 be given second reading.
5. THAT a public hearing to consider Bylaw No. 309 be authorized to be held at 1:00 p.m. on Wednesday, September 5, 2018 at the Manson's Landing Mall located at 983 Beasley Road, Cortes Island, BC, and

THAT the holding of the public hearing be delegated to the electoral area directors with Director Anderson and Director _____ designated as the Chair and Vice Chair respectively for the public hearing.

I'm trying to get a ride to Gold River on Tuesday for our flight. Are you driving up? Do you have room for me? Or do you have Doug Chapman's cell phone number (I've tried emailing him but no response).

I'm heading the other direction to Sayward so I will get you Doug's cell. I think Robyn is also trying to hit Doug up for a ride. I believe John Rice will also be driving to Gold river

Thanks. I haven't spent much time with Doug so would love to ride with him

No I don't, I would assume not many

14 Municipal Authority for Empty Homes Tax **Burnaby**

areas encouraging unoccupied residential properties to become available for long-term occupancy represent an opportunity to increase the availability of housing in our communities;

whereas the authority to adopt an Empty Homes Tax is not currently available to municipalities operating outside of the *Vancouver Charter*;

therefore be it resolved that UBCM call upon the Province of British Columbia to amend the *Community Charter* to enable municipalities to administer a specific property tax on unoccupied Class 1 Residential properties, with revenues to be used by the municipality towards affordable housing projects.

Endorsed by the Lower Mainland Local Government Association

*CM Resolutions Committee recommendation: **Endorse***

CM Resolutions Committee comments:

The Resolutions Committee notes that the UBCM membership has endorsed a number of resolutions which ask the Province to empower local governments to collect a levy on vacant residential properties (2020-EB33, 2020-B19, 2019-B19, 2019-B181, 2018-A3, 2017-B91).

I just noticed this 'recommended to endorse' motion... asking for municipal authority beyond Vancouver.

Yah saw that. I would like to have "and Regional Districts" added to it. Not just municipalities

Or Regional Districts and Electoral Areas

Yeah! I was wondering about that. Maybe that's our goal for 2024

That would be great

Where do you think the best place to get # of STRs for electoral areas and municipalities in the SRD?

There were housing needs reports done for each of the electoral areas, completed in 2022. Not sure about the munis.

In 2016 there were 54; in 2021 there were 177.

I spent 8.5 hours Saturday and 3+ Sunday, volunteering/supporting the Giant Garage Sale.

Glad to have a chill day at home to answer the many concerned residents who've learned their garbage rates are changing and are feeling stressed.

The garage sale sounds fun. Is it an annual thing?

Garbage pick up rates are increasing? Or tipping fees?

The company which delivers garbage service on Quadra is an international corporation. While I was at UBCM they announced to the community that there will no longer be garbage stickers, which is how most people get their garbage picked up (put a sticker on a can when full).

Now there are tiered rates of service, obviously more expensive even for once a month pickup. And they are issuing giant garbage cans to people to use, which must be "rented". All as of October 31.

Luckily in May at EASC I requested a report on options for residential waste collection! But who knows when the report will be returned to the board.

Oh wow. We have a private company in Cortes do pick up and it costs \$100/yr

How much does it cost there?

I know!! Many people wish that was here too.

Can you switch it?

It's basically a person with a big truck

For some reason the previous director was not in favour. Not sure why.
Hoping to make a change BUT it likely won't be in time for the end of service as we know it in October

Yikes. Good luck

At one point we had a person with a truck providing service. However, his truck broke and he stopped taking garbage to town, piled it into a mountain on his mothers property. Rats infested the neighbourhood. In the end the SRD had to deal with it.

Omg what a gong show. So it has to be taken to town?

Our service brings it to the recycling g centre and a separate service brings it to Comox

Yes garbage has to be taken to town for many folks, if they live outside the southend service area // choose not to pay for pickup/ stickers.

Good evening John. I am just reviewing the written submissions. Where did the forms for these submissions come from? The second part of the form refers to the Pedestrian path. Did the SRD supply the forms?

Message sent 2023-10-16 9:29:00 PM

Those forms referring to the greenway trail I believe were done by Mrs Dunn. She canvassed the neighbourhood on her own looking for supp what she wanted

Message received from +12508950869 2023-10-16 9:32:57 PM

That's what I thought! Just wanted to make sure as it looks like a legitimate district document. This is where all the miss information comes in. At this point the greenway as the district calls it, is not part of the rezoning application.

Thanks John

Good Evening John

I was wondering if you wouldn't mind sending me the email and the phone number to the person that is in charge of the roads in the mitlenatch subdivision ? Nothing has been done all summer to the roads . The roads are hazardous. With the days getting shorter and darker the holes will be harder to see and dangerous for those who enjoy walking in the evening.

Best regards

Martin Jager

Hi John

Just wondering if you got my email I sent to you and Ashley Cousens regarding the road conditions in the mitlenatch subdivision ? If not I can resend it again. I haven't received any reply from Ashley Cousens yet. I would like to know what her plans are for the conditions of the roads in our neighborhood. I have heard she is renowned for not answering and ignoring emails.

If this is true, I would like her phone number to ensure she is aware .

The next step is the MLA for this area. Maybe she can ruffle her feathers

Thanks again

Martin Jager

I think it would be rather useful if we have a chat on the most recent development applications here in area d. I am trying to deal with the aftermath of recent decisions and it is concerning that another director appears to be thwarting my good efforts for my residents. I would really like to understand your motives. I have a busy week so let's schedule a time

Message received from Robyn Mawhinney 2023-08-22 1:03:35 PM

Hello John,
I have some time on Thursday if you'd like to chat. How does 11am sound? Let me know if there's a different time which works better for you.

Please know that I have no motive to thwart you, if that's your implication. I'm not sure what 'aftermath' you're referring to, no final decisions were made?
