

Park and Open Space Network

MAP 5

October 15, 1999

Note: The Park and Open Space Network as depicted on this map is schematic only and do not identify specific locations for either general areas of interest. The identification of these areas of park and trail interest does not reflect a legal requirement or obligation to the Regional District to acquire, manage or develop these areas. The approval of the appropriate Land Commission shall be sought prior to the development of parks and trails on any lands in the Forest or Agricultural Land Reserve.
