

The Strathcona Regional District (SRD) is a partnership of five municipalities and four electoral areas which covers approximately 18,278 square kilometers (7,057 square miles) of land. The SRD serves and provides 44,671 residents (2016 census) with a diverse range of services including water and sewerage systems, fire protection, land use planning, parks, recreation, and emergency response.

In accordance with the Local Government Act, Regional Districts do not have the authority to collect taxes directly from residents or businesses. Instead, taxes for Regional Districts are requisitioned from the Province and member municipalities who collect from the taxpayers on behalf of the Regional District.

Where does the money come from?

Services applicable to the Village of Sayward:
