**BYLAW NO. 313**

A BYLAW TO REGULATE THE USE OF THE SAYWARD VALLEY SOLID WASTE COLLECTION SYSTEM AND TO PROVIDE FOR THE IMPOSITION OF RATES

WHEREAS the Strathcona Regional District is, by Bylaw No. 1639, authorized to operate a service for the collection and disposal of solid waste for the Sayward Valley;

AND WHEREAS the Regional District may, by bylaw, regulate the use of the solid waste service including the requirement that property owners use the service in accordance with the standards set out in the bylaw;

AND WHEREAS the Regional District may, by bylaw, impose fees and charges payable in respect of a service and, for that purpose, establish different rates for different classes of property, businesses and activities;

NOW THEREFORE the Board of Directors of the Strathcona Regional District, in open meeting assembled, enacts as follows:

PART 1 - INTERPRETATION**Definitions**

1. In this bylaw, unless the context otherwise requires:

“approved receptacle” means a metal, plastic or composite container, cylindrical in design, with volume capacity not exceeding 110 (one hundred and ten) litres and having a secure, watertight cover or lid; or such other container as may be approved by the Manager.
