Household Checks - Log Sheet

Codes tell official first responders which households to attend to first. Doors can be marked with grease pencil or another method of marking.

NAME OF VOLUNTEER(S):				
CODE	Household check: occupant status			
1	Professional rescue needed ASAP			
2	Unknown: no response at address OR unsafe to approach property			
3	All occupants accounted for			
4	Evacuating outside neighbourhood (record destination address / phone number)			

CODE	Date/Time	Address	Occupant Name(s)	Status: (some neighbours may not wish to share personal details)
