

# Do you agree with any of these options for regulating non-personal cannabis production and sales as a land use?

	<b>Allow non-personal cannabis production on a case-by-case basis only (i.e. rezoning).</b>
	<b>Allow non-personal cannabis production on lands designated as Industrial.</b>
	<b>Allow non-personal cannabis production on lands 2.0 hectares (5 acres) in size or greater.</b>
	<b>Allow cannabis sales on a case-by-basis only.</b>
	<b>Allow cannabis sales on any lands zoned Commercial.</b>

<b>Other Ideas?</b>
