The Strathcona Regional District (SRD) will review applications to verify eligibility and will pay \$400 or \$500 or \$750 or \$1,000 upon proof that a non-certified wood burning appliance in use at a Regional District property has been replaced with a new EPA or CSA B415.1 emission certified appliance installed at the same property, and that the old wood stove has been rendered permanently inoperable. The submission of an application does not guarantee a rebate. Rebates will be issued to registered property owners within the SRD on a first-come, first-served basis while funding lasts.

# Strathcona Regional District 2024 Wood Stove Exchange Program VOUCHER CHECKLIST

It is the responsibility of the voucher holder to ensure that the terms below have been verified.

## VERIFICATION

1. Existing appliance is in use for heating at a property within the Strathcona Regional District (SRD) and does not conform to CSA B415.1 (or) EPA emission standards.
2. Installation of CSA B415.1 (or) EPA-certified wood stove/insert, pellet stove/insert or gas stove/fireplace or insert at the same property in the SRD in compliance with relevant building codes.
3. Old appliance is decommissioned and recycled.

**Applicant declaration:** I declare that I am the registered owner(s) of the property identified on this application which is within the borders of the SRD. I have removed a non-CSA/EPA wood burning appliance from this property and have had it destroyed and I have purchased a conforming new heating appliance and installed it at the same property in line with relevant building codes. I understand that the SRD is not responsible for the installation or functioning of the installed appliance. The SRD reserves the right to inspect and verify the information in this form.
