A. PROJECT SUMMARY

Background

The Strathcona Regional District is requesting submission of Proposals from qualified vendors for the supply and delivery of a Pumper Truck for the Sayward Volunteer Rescue and Fire Department.

The SRD seeking proposals to obtain a road rescue truck as specified in the Request for Proposal (RFP). Proponents may suggest an alternate to the specification that they perceive will be more efficient, or less costly, than what has been requested. The exception to this is the Required Criteria listed under Project Scope. Based on a review of responses to this RFP, the SRD intends to select a Proponent who would then be invited to enter a contract for provision of the services described in this RFP.

Unless otherwise agreed, the vehicle will be delivered complete and road trim ready.

It is preferred that the successful proponent will, at its cost, coordinate delivery of the vehicle to the Village of Sayward once all registration and licensing requirements have been completed. However, this is not mandatory. The Regional District is not bound to accept the lowest or any submission.

5.0 CHANGES TO PROPOSALS

Upon closing all proposals become irrevocable and may not be amended or withdrawn prior to the deadline for acceptance except where the proponent and the Regional District have mutually agreed to a change for the purpose of entering into a contract.

6.0 PROPONENT EXPENSES

Proponents are solely responsible for their own expenses in preparing and submitting their proposals. This includes, but is not limited to, any firm or individual involved in the preparation of this RFP.

9.0 CURRENCY AND TAXES

Prices must be quoted in Canadian dollars and exclusive of taxes which shall be shown separately on the Proposal Form. Proposals shall remain open for acceptance by the Regional District for at least 30 days after the RFP closing date. Proposals must state the latest date for acceptance at the time of submission.

The Regional District is not bound to accept the lowest priced proposal or any proposal. Proposals will be evaluated on the basis of stated criteria and the Regional District is under no obligation to request clarification or further information, whether written or oral, from any proponent prior to completion of the evaluation process.

The Regional District reserves the right to reject any and all proposals for any reason or to accept any proposal in whole or in part which the Regional District, in its sole unrestricted discretion, deems to represent the best value for the Regional District. The Regional District reserves the right to enter into negotiations with one or more proponents with respect to the services to be provided, and expressly reserves the right through such negotiations to request changes, alterations, additions or deletions from the terms of any proposals received.

Formal acceptance of any proposal and the subsequent confirmation of project award must not be construed as authority for the proponent to proceed with the project as this will be dependent on the execution of a contract and the fulfillment of any conditions precedent imposed by any authority having jurisdiction over the work or service to be performed.

11.0 CANCELLATION OR DELAY OF RFP

The Regional District reserves the right to delay and/or cancel this RFP at any time and for any reason and will not be held responsible for any direct or indirect loss, damage, cost or expense incurred or suffered by any proponent as a result of such cancellation.

The acceptance of any Proposal and the subsequent execution of a contract may be subject to funding and approval by the Board of Directors of the Strathcona Regional District or any of its delegated authorities.

12.0 EXECUTION OF CONTRACT

After acceptance by the Regional District, the successful Proponent will be provided with written confirmation. A contract will be executed when all preconditions have been met. No proponent will acquire any legal or equitable rights or privileges with respect to this project until a contract has been entered into with the Regional District.

13.0 LIABILITY FOR ERRORS

The information contained within this RFP is not guaranteed or warranted to be accurate by the Regional District, nor is it necessarily comprehensive or exhaustive.
