

**Addendum #1**

**REQUEST FOR PROPOSALS**

**RFP 11-23**

**Issued July 28, 2023**

The Strathcona Regional District (SRD) wishes to issue the following addendum to its “Request for Proposals – RFP 11-23 “Supply and Delivery of Shipping Containers” in response to proponent questions:

**Question:** There is one conflicting dimension. Number 4, Read Island. The first part lists it as a 8x8x10. Further down the list it lists 8x8x8 and shelving 20’ long.

**Response**

The description of the two Read Island shipping containers provided on Page 3 of the RFQ does contain two errors. The corrected dimensions are provided below.

Two shipping containers that meet the following minimum criteria to Read Island:

- 8-feet wide by 8-feet high by **10-feet long**;
- Steel construction, insulated inside (walls and ceiling) with spray-foam insulation;
- Pressure vents installed that allow air flow throughout the shipping containers, but do not permit rain to enter;
- **Two 9-foot long shelving racks** on both sides of the shipping containers; and
- Painted the colour Green (example in Appendix D).
